# CIEES 2025

**Ruse, Bulgaria**

**6th International Conference on Communications, Information, Electronic and Energy Systems  
Hybrid Conference (On-site & Online)**

### About CIEES

The CIEES international conference has successfully been held for the last four years more than 500 papers published and have been included in Scopus. CIEES aims to provide an international forum for researchers, academics, and people in industry-academia to exchange ideas and present results of ongoing research in the fields of telecommunications, electronics, system engineering, information technologies, energy, automotive, and industrial engineering.

### CIEES2025 Publication

IEEE holds the copyrights for the conference proceeding. The CIEES 2025 papers which met the quality criteria will be submitted for inclusion in the IEEE Xplore Digital Library and to Scopus and ISI Web of Science (Clarivate) for index. IEEE reserves the right to exclude papers from the CIEES conference proceeding if not presented by an author.
